

Heather Nifong Illinois EPA

Ms. Nifong is the Programs Advisor for the Division of Remediation Management at Illinois EPA. She joined the Agency in 1989, beginning in the Office of Community Relations where she coordinated program outreach and public participation for LUST, VCP, Superfund, and RCRA Subtitle D. She now administers Illinois' Section 128(a) brownfields grant, coordinates the vapor intrusion rulemaking to amend the state's risk-based cleanup regulations, and promotes sustainable cleanup and site reuse.

Ms. Nifong also chairs the Greener Cleanups Task Force of the Association of State and Territorial Solid Waste Management Officials (ASTSWMO). The task force has created a webpage of green remediation resources, including links to specific state initiatives:

http://astswmo.org/resources_sustainability_greenercleanups.html

Ms. Nifong holds Master Degrees in Communication and in Public Health from the University of Illinois at Springfield and a B.A. in English from Illinois Wesleyan University.
